GENERAL INFORMATION
IBRD’s most recent Information Statement was issued on September 18, 2013.

SUPPLEMENTAL PROSPECTUS INFORMATION

The Prospectus is hereby supplemented with the following information, which shall be deemed to be incorporated in, and to form part of, the Prospectus.

The Executive Directors of IBRD approved two Management proposals on February 11, 2014.

The Executive Directors approved a package of measures designed to enhance IBRD's financial capacity to meet borrowing country needs, comprised of the following four elements:

- IBRD's target minimum equity-to-loans ratio was revised from 23 percent to 20 percent, reflecting improvement in IBRD's portfolio credit quality since the previous target was adopted in 2008; as of December 31, 2013, IBRD's equity-to-loans ratio was 25.8 percent;

- IBRD's Single Borrower Limit ("SBL") was increased to $20 billion for India and $19 billion for other SBL-eligible borrowing countries, with a surcharge of 50 basis points per annum on loan balances in excess of the previous SBL ($17.5 billion for India and $16.5 billion for other SBL-eligible borrowing countries) in order to help support the increase in the SBL;

- Commitment fees of 25 basis points per annum on undisbursed balances on IBRD loans will be restored, effective July 1, 2014; and

- The maximum maturity for most IBRD loans and guarantees will be extended from the current limits of 30 years final/18 years average to 35 years final/20 years average, with the application of a revised maturity premium schedule, effective July 1, 2014; the maturity premium charges will increase, with the starting point for these charges starting at 8 years average maturity rather than the prior level of 12 years average maturity.

The Executive Directors also approved a new Equity Management Framework ("EMF"), which shares the same objective as the equity duration extension strategy approved in 2007 - namely, to reduce the sensitivity of IBRD's equity income to fluctuations in short-term interest rates. The EMF provides more flexibility to manage equity income. In particular, the EMF allows for the possibility of shortening the duration of IBRD's equity, when warranted by market and macroeconomic conditions, whereas the equity duration extension strategy required that duration be maintained within a range of 4 to 5 years. The EMF also provides for a wider variety of tools
and strategies for managing equity income than the equity duration extension strategy. The Executive Directors approved Management's recommendation to maintain a short duration for equity in the short-term, with the authority to enter into other approved strategies or combinations thereof as market conditions warrant.

LISTING APPLICATION

These Final Terms comprise the final terms required for the admission to the Official List of the Luxembourg Stock Exchange and to trading on the Luxembourg Stock Exchange’s regulated market of the Notes described herein pursuant to the Global Debt Issuance Facility of International Bank for Reconstruction and Development.

New Zealand Taxation

The following is a summary of the New Zealand withholding tax treatment at the date of these Final Terms of payments of principal and interest on the Notes. This summary addresses the New Zealand withholding tax treatment of Noteholders. It does not address all New Zealand tax issues (including income tax issues) which may be relevant to Noteholders.

Prospective Noteholders (including prospective holders of a beneficial interest in a Note) should seek independent advice on the New Zealand tax implications applicable to them.

Under New Zealand laws currently in effect:

1  IBRD enjoys certain exemptions from New Zealand tax under the International Finance Agreements Act 1961 and the Income Tax Act 2007. IBRD is exempt from the requirement to deduct non-resident withholding tax from interest paid in respect of the Notes where the beneficial owner of the Note is a non-resident of New Zealand and is not engaged in business in New Zealand through a fixed establishment in New Zealand.

   IBRD is also exempt from the requirement to deduct resident withholding tax (“RWT”) from interest paid in respect of a Note to a New Zealand resident beneficial owner (or a non-resident beneficial owner engaged in business in New Zealand through a fixed establishment in New Zealand). However, it is possible that the Registrar or a person holding a Note for such a beneficial owner will have an obligation to deduct RWT from such payments unless the beneficial owner has a valid certificate of exemption from RWT and has submitted a copy of that certificate to such person.

2  Neither the issue nor receipt of a Note will give rise to any goods and services tax liability in New Zealand.

3  New Zealand does not have a stamp duty regime.

APPENDIX TO FINAL TERMS

This is an Appendix to the Final Terms dated February 25, 2014 relating to the issue of NZ$550,000,000 4.625 per cent. Notes due February 26, 2019 by the International Bank for Reconstruction and Development and the following provisions amend, supplement, vary and/or substitute the terms and conditions applicable to the Notes set out in the Prospectus dated May 28, 2008 incorporated in these Final Terms (the “Conditions”).

1 Condition 1

Form, Denomination, Title and Specified Currency

1.1 The Notes are debt obligations of IBRD owing under the Deed Poll and take the form of entries in the Register. Each entry in the Register constitutes a separate and individual acknowledgment to the relevant Noteholder of the indebtedness of IBRD to the relevant Noteholder.

1.2 No certificate or other evidence of title will be issued by or on behalf of IBRD to evidence title to a Note unless IBRD determines that evidence should be made available or it is required to do so pursuant to any applicable law or regulation.

1.3 The following provision in Condition 1(a) shall not apply to the Notes:

“Registered Notes are represented by registered certificates (“Certificates”) in global and/or definitive form. Except as provided in Condition 2(c), one Certificate (including Certificates in global form) representing the aggregate nominal amount of Registered Notes held by the same holder will be issued to such holder, unless more than one Certificate is required for clearance and settlement purposes. Each Registered Note will be numbered serially with an identifying number which will be recorded in the register (the “Register”) kept by the Registrar.”

1.4 No Note will be registered in the name of more than four persons. A Note registered in the name of more than one person is held by those persons as joint tenants. Notes will be registered by name only without reference to any trusteeship. The person registered in the Register as a Noteholder of a Note will be treated by IBRD and the Registrar as absolute owner of that Note and neither IBRD nor the Registrar is, except as ordered by a court or as required by statute, obliged to take notice of any other claim to a Note.

1.5 In substitution for Condition 1(c)(i), the following shall apply to the Notes:

“Title to Registered Notes shall pass by registration in the Register in accordance with the provisions of the Deed Poll and the Registrar and Paying Agency Agreement or otherwise in accordance with applicable law.”
2 Condition 2

Transfers

2.1 Condition 2(a)(i) shall be replaced by the following:

“Subject to Condition 2(g), the Notes may be transferred in whole but not in part. The Notes will be transferable by duly completed transfer and acceptance forms in the form specified by, and obtainable from, the Registrar or by any other manner approved by IBRD and the Registrar. Holdings of interests in the Notes will be transferable only in accordance with the respective rules of the NZClear System, Euroclear or Clearstream Luxembourg, as the case may be.

Notes or interests in the Notes may only be transferred within, to or from New Zealand if (a) the aggregate consideration payable by the transferee at the time of transfer is at least NZ$500,000 (disregarding moneys lent by the transferor or its associates) or the offer or invitation giving rise to the transfer otherwise does not require disclosure to investors in accordance with the Securities Act 1978 (New Zealand) (or any replacement or statutory modification of the Securities Act 1978 (New Zealand)), (b) the transfer is in compliance with all applicable laws, regulations or directives (including, without limitation, in the case of a transfer to or from New Zealand, the laws of the jurisdiction in which the transfer takes place), and (c) in the case of a transfer between persons outside New Zealand, if a transfer and acceptance form is signed outside New Zealand.

A transfer to an unincorporated association is not permitted.”

2.2 Condition 2(e) and Condition 2(f) shall not apply to the Notes.

2.3 In Condition 2(g), replace “15” with “9 calendar”.

3 Condition 3

No amendments.

4 Condition 4

Negative Pledge

In Condition 4, replace the words “Global Agent or the Fiscal Agent, as the case may be,” with “Registrar”.

5 Condition 5

No amendments.

6 Condition 6

Redemption, Purchase and Options

Condition 6(h) shall be replaced by the following:
“All Notes purchased by or on behalf of IBRD may be cancelled. Any Notes so cancelled may not be reissued or resold and the obligations of IBRD in respect of any such Notes shall be discharged.”

7  **Condition 7**

**Payments**

7.1  Condition 7(a) shall be replaced by the following:

“The Registrar will act (through its office in Auckland) as principal paying agent for the Notes pursuant to the Registrar and Paying Agency Agreement (as defined below).

Payments of principal and interest will be made to the Noteholder as at 5:00 p.m., Auckland time, on the Interest Payment Date for the relevant payment to the bank account or address stated in the Register on the relevant Record Date to the persons registered as Noteholder at the close of business on that date, notwithstanding any notice IBRD or the Registrar may have of any subsequent transfer. Such payments will be made by direct credit to an account in New Zealand notified to the Registrar prior to the relevant Record Date or otherwise by cheque dispatched by post on the relevant payment day at the risk of the Noteholder. Payments to persons holding interests in the Notes through the NZClear System, Euroclear or Clearstream, Luxembourg, will be made in accordance with the rules and operating procedures of the relevant system.

Payment by IBRD to the Registrar discharges the obligation of IBRD in respect of the relevant amounts.

However, in paying such interest to Noteholders, the Registrar is acting as trustee for the Noteholders and not as agent for the Issuer, and so may be required by law to deduct resident withholding tax as set forth under “General Information” of the Final Terms.

7.2  Paragraph (iii) of Condition 7(e) shall not apply to the Notes.

8  **Condition 8**

No amendments.

9  **Condition 9**

No amendments.

10  **Condition 10**

_Replacement of Notes, Certificates, Receipts, Coupons and Talons_

Condition 10 shall not apply to the Notes.

11  **Condition 11**

No amendments.
12 **Condition 12**

*Notices*

Condition 12 shall be replaced by the following:

“Notices to holders of Notes will be mailed to them at their respective address in the Register.

Notices regarding the Notes may also be published in a leading daily newspaper of general circulation in New Zealand. It is expected that such notices will normally be published in the *New Zealand Herald*.

Notwithstanding this Condition 12, notices to persons holding Notes in the NZClear System may be given by delivery of the relevant notice to the operator of the NZClear System for communication by it to entitled account holders. Any notice delivered to the operator of the NZClear System in accordance with this provision shall be deemed to have been given to the Noteholders on the day on which such notice is delivered that operator.”

13 **Condition 13**

No amendments.

14 **Condition 14**

*Governing Law, Jurisdiction and Service of Process*

Condition 14 shall be replaced by the following:

“IBRD irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts of New Zealand and courts of appeal from them.

For so long as any of the Notes are outstanding, IBRD will ensure that there is an agent appointed to accept service of process on its behalf in New Zealand in respect of any legal action or proceedings as may be brought in the courts of New Zealand.

The agent initially appointed by IBRD in New Zealand is Bell Gully, 171 Featherston Street, Wellington 6140, New Zealand.”

15 **Condition 15**

*Taxation Residency of Noteholders*

A new Condition 15 shall be inserted as follows:

“Each Noteholder shall give written notice to the Registrar of its country of residency for taxation purposes and, if not resident in New Zealand for taxation purposes, of whether the Noteholder is engaged in business in New Zealand through a branch or other fixed establishment (as that term is defined in the New Zealand Income Tax Act 2007 including all
amendments and replacements whether by subsequent statute or otherwise) in New Zealand.”

16 **Condition 16**

**Amendments**

A new Condition 16 shall be inserted as follows:

“The Conditions (including the Final Terms) and the Deed Poll may be amended by the Issuer without the consent of any Noteholder if:

(a) the amendment is of a formal, minor or technical nature;
(b) the amendment is made to correct a manifest error; or
(c) the amendment is made for the purposes of curing any ambiguity, or correcting or supplementing any defective or inconsistent provisions in any of those documents,

and, in the reasonable opinion of the Issuer, is not materially prejudicial to the interests of the Noteholders.”

**Definitions**
